FRANCE AND WEDDINGS: A TIMELESS LOVE AFFAIR

SHEETAL MUNSHAW
Director Atout France India

Bonjour!

When it comes to romance and romanticism, nothing comes close to France in the imagery and the quintessential ideology of an amorous affair. France is at the pinnacle of tourism, being on every traveler's bucket list and every romantic's reverie!

When it comes to weddings, nothing comes close to the BIG FAT INDIAN Wedding in terms of grandeur and scale. The recent Ambani wedding had the world's attention with the series of celebrations setting a whole new benchmark for extravagant nuptials. When you put the two together, it is nothing short of magic! France's first tryst with the Big Fat Indian Wedding dates back to 2004 when steel tycoon Lakshmi Mittal's daughter tied the knot in the capital city of love and set the trend for exotic and extraordinary celebrations. Two decades later France continues to inspire fairy tale weddings and leave couples, families, and friends spellbound with its myriad and multi-faceted landscapes and settings, its irresistible charm, and its connoisseur edge to bringing excellence and exquisite touches and marrying them seamlessly with Indian grace, elegance, and tradition.

From romantic debuts such as the "Proposal in Paris" at the iconic Eiffel Tower with the Grande Dame in testimony or the Grammable Trocadero with the Eiffel towering above to walking the red carpet aisle along the Palais de Festivals in Cannes shining bright like a star on your milestone or exchanging vows against the azure skies in the French Riviera or living the dream and the fairy tale wedding in a French château, France has the "savoir-faire" and the "faire savoir" coupled with a magnificent setting that is truly a match made in heaven!

Through this first-ever wedding edition, we reveal the wedding-ready facet of France in conjunction with our privileged partners that say "OUI" to lay out the red carpet to Indian guests in France's hallmark destinations. Paris and Cannes present to you the crème-de-la-crème of their unparalleled locales, professionals, institutions, attractions, and inspirations that will together orchestrate that their Indian guests' dreams come true as they unite in matrimony in la douce France!
