Netflix

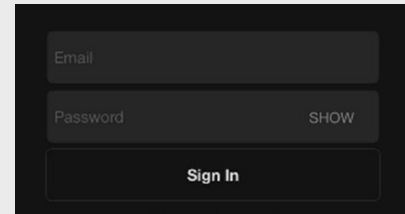

1

Find the Netflix app

- Find the Netflix app. You can look for it on your device's home screen or in the app launcher. The app launcher shows you all the apps you have on your device.
- Tap on the **Netflix** app to open it
- If Netflix isn't installed on your device, open the Play Store. You can search for Netflix and download the app. If you've never downloaded apps before, do [this lesson](#).

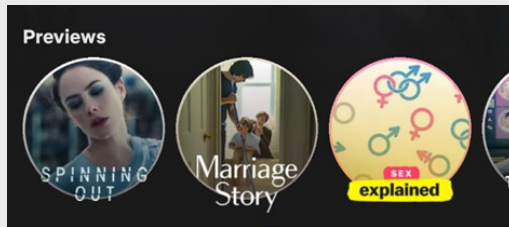

2

Sign in to Netflix

- Netflix is a paid subscription, which means you have to pay for an account to use it. Tap **Get started** and follow the instructions to buy a subscription.
- It's best to use Netflix when connected to Wi-Fi because it needs an internet connection. You might have to pay money if you use your device's data plan instead of Wi-Fi.
- If you've never used Wi-Fi before, do [this lesson first](#)

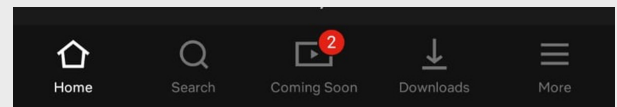

3

Netflix home page

- There are different sections on the homepage, such as **Continue Watching**, **Previews**, and **Recommended For You**
- Pick any movie or TV show to watch. While you're watching, you can tap play , pause , fast forward 10 seconds , and rewind 10 seconds .

4

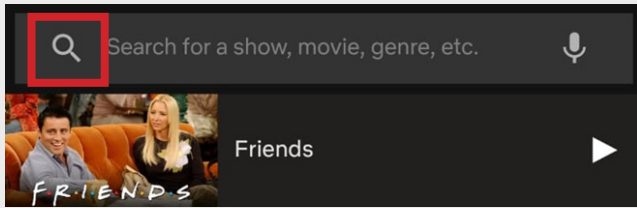

Menu bar

- The menu bar is at the bottom of the screen
- This is where you can search for a specific movie or show, or make changes to your account subscription

Netflix

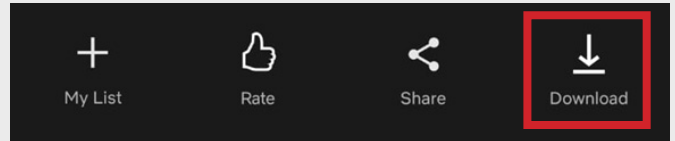

5

Searching on Netflix

- You can search for any movie or TV show to see if it's in the Netflix library
- Tap on the **Search Q** button in the menu bar and type the name of the movie or TV show you want to watch
- If the movie or TV show you want to watch isn't on Netflix, you'll see suggestions for similar movies or TV shows

6

Downloading movies or shows

- You can download a movie or TV show to watch later when you don't have internet access, like when you're traveling on a plane
- When you download a video, it will be saved on your device and will take up space in your device's memory
- If you'd like to download a movie or TV show, tap the **Download** icon
- You can always watch movies or TV shows you've downloaded by tapping the **Downloads** button in the menu bar
