Frontier Partner badge – Q&A

How do I enroll in the Frontier Partner badge?

Partners should focus efforts on meeting the Solutions Partner designation and specialization requirements. Microsoft will contact the MAICPP Partner Admins for qualified partners within 90 days of qualification within Partner Center. There is no enrollment currently available in Partner Center.

Who is eligible for the Frontier Partner badge?

Any partner who can attain the required Solutions Partner designation and specializations is eligible for the Frontier Partner badge.

What are the requirements to earn the Frontier Partner badge?

Partners must achieve three specializations: Microsoft Copilot; Build AI Apps, AI Platform or Accelerate Developer Productivity; and Data Security. Partners must also attain Solutions Partner designations in Modern Work or Business Applications; Security; and one of the three Cloud & AI Platform aligned designation.

What steps should I take to qualify?

Attain the required specializations and Solutions Partner designations. Check the status of your Solutions Partner designations and specialization enrollments in the [Membership workspace in Partner Center](#). You will need MAICPP Partner Center Admin privileges to view the workspace.

Also be sure to update your MAICPP Partner Center Admin contacts to ensure we can reach you when you qualify.

Thank you

"Solutions Partner" refers to a company that is a member of the Microsoft AI Cloud Partner Program and may offer software, services, and/or solutions to customers. Reference to "Solutions Partner" in any content, materials, resources, web properties, etc., and any associated designation should not be interpreted as an offer, endorsement, guarantee, proof of effectiveness or functionality, a commitment, or any other type of representation or warranty on the part of Microsoft. All decisions pertaining and related to your business needs—including but not limited to strategies, solutions, partner selection, implementation—rest solely with your business.

"Frontier Partner" and "Frontier Distributor" refer to a company that is a member of the Microsoft AI Cloud Partner Program and has met specific program requirements, including attainment of Solutions Partner designations, AI-related specializations, or assessment criteria involving AI requirements, as defined by Microsoft. The "Frontier" terminology indicates participation in Microsoft's partner program and eligibility for associated benefits. It does not represent or imply endorsement, guarantee, or certification of the company's services, solutions, or performance by Microsoft. All decisions regarding business strategies, solutions, and implementations remain solely with the customer.
