

Are you a Nurse or a Midwife, Nursing Associate, Nursing Support Worker, Midwifery Support Worker, from a Black, Asian and Minority Ethnic background working in the NHS, Primary Care, Social Care, Independent sector, or Voluntary sector?

Birmingham and Solihull are super diverse cities however we know this diversity is not reflected at all levels with our global majority nurses and midwives. Our Workforce Race Equality Standard (WRES) data reflects this along with powerful stories of lived experiences from many of our global majority colleagues.

We would like to hear your stories and listen to your views about the kinds of support that you think are required to support more of our black, Asian and minority ethnic nursing and midwifery colleagues into leadership positions.

We are committed to leading with equity, recognising that different people have different talents and needs, and committed to enabling everyone to become the best possible version of themselves. When that takes place, everyone wins.

We would like to invite to you a virtual meeting, a space to listen and share. Your contributions will be completely anonymous. We plan to use the outcomes of the meetings to help us identify your thoughts about what works and support us in designing an approach to leadership development at all levels.

Virtual meetings will take place on the following dates and times:

Wednesday	12 th April 2023	10.00 – 11.30hrs
Monday	17 th April 2023	18.00 – 19.30hrs
Wednesday	3 rd May 2023	12.30 – 14.00hrs

All meetings will be held on Zoom platform.

To register your interest and receive the zoom link please email O.Leach-Walters@nhs.net or call 07717 547 615.

I look forward to seeing you.

Olga
