

# GDPR COMPLIANCE CHECKLIST

**1. Know Your Data:** Map out all personal data you collect from EU customers, from browsing to purchase.

**2. Privacy Policy:** Update your privacy policy to be GDPR compliant, detailing data processing activities.

**3. Consent:** Secure explicit, freely given consent for customer data collection and processing, particularly for marketing

**4. Data Minimization:** Only collect data that is necessary for the completion of transactions or services offered.

**5. Secure Data Storage:** Implement robust security measures to protect customer data against breaches.

# GDPR COMPLIANCE CHECKLIST

**6. Data Subject Rights:** Establish clear procedures for clients to exercise data rights: access, correct, delete, or move data.

**7. Data Breach Plan:** Create a concise data breach response plan for notifying affected individuals and relevant authorities.

**8. Age Verification:** Enforce age verification to prevent data collection from underage users without parental consent.

**9. Third-Party Data Processors:** Monitor third-party GDPR compliance, including payment gateways and email services.

**10. Data Transfer:** If data is transferred outside the EU, ensure mechanisms like Standard Contractual Clauses are in place.
