www.workbc.ca About this Guide

About This Guide

The Downtown Eastside Adult Literacy Roundtable is a coalition of adult educators working in the Downtown Eastside (DTES). The Roundtable understands literacy as having the knowledge, skills and confidence to participate fully in our lives.

The group has been collaborating since 2006 to share skills, ideas, support and information. Reading and writing are only part of literacy but they are useful tools that open up opportunities to learn and engage more. This guide provides information to enable you to strengthen your knowledge or acquire new skills by identifying learning opportunities which may be appropriate for you or your family. In 2010 the Roundtable organized a community literacy plan which they continue to implement. You may access the plan and the updated reports, and read more about our vision, goals and action plan at <http://dteslit.wordpress.com> or by contacting dtes.loc@gmail.com.

Members of the Roundtable work to build on available strengths, realistic resources, capacities and opportunities to:

- 1)** Work together, exchange skills and share ideas;
- 2)** Support revitalization of Aboriginal languages and cultural practices;
- 3)** Fund low-income resident teaching and learning related opportunities;
- 4)** Increase awareness of literacy resources;
- 5)** Expand support for people with learning disabilities;
- 6)** And create momentum through neighbourhood learning themes/events. We welcome any feedback or suggestions you may have to help improve this community resource.

Revised by the Downtown Eastside Literacy Roundtable with support from:

DTES Literacy Outreach Coordinator William Booth, community partners Melissa Kuipers and Roxanne Charbonneau, linkvan.ca, the Vancouver Public Library, and the UBC Learning Exchange. Featuring the design and artwork of Joanna McDonald.

Revised from the 2013–2014 DTES Quick Reference Guide.
Original artwork by Videha.

The Roundtable acknowledges and honours the fact that
our community lies within the traditional territory
of the Coast Salish people.
