## **COLUMBIA METROPOLITAN AIRPORT (CAE) WASTE MANAGEMENT SERVICE AGREEMENT**

**Question:** For your compactor, will you be needing/ renting a power unit from the vendor as well?

**Answer:** Answer No, the compactor unit includes its own power unit and is not rented separately

**Question:** For the 2-cy recycling container, would you all be open to having an 8-cy dump once per month instead of a 2-cy dump once per week?

**Answer:** No, the scope will remain the same for 3 years

**Question:** For the on-call containers, can we price them per haul rather than per month since there isn't a determined pick-up schedule?

**Answer:** No, please adhere to the original scope of work. The pickup schedule for the on-call containers is not fixed and can vary from twice a week to once every two months.

**Question:** Can we see the current rates for the existing services?

**Answer:** Thank you for your inquiry. We appreciate your interest in our projects. However, our company policy prevents us from sharing the details of previous agreements for competitive bidding purposes. We will thoroughly evaluate all submitted proposals based on their individual merits. Thank you for understanding.
