## **2025 END OF YEAR REPORT & 2026 PLAN**

Praise God for the Evangelism year 2025. It was the year with the highest Events, reading over 205 outings. This is indeed great and encourage-able. We thank the Lord almighty for blessing all our going and coming. And we trust God that 2026 will be better than 2025, just as 2025 was better than 2024.

### **OUR MAJOY AND LESS ACHIEVEMENTS**

- On Evangelism Events, the Statistics below we will clearly see the areas we did well, and the areas we need to improve. Let us carefully analyze the values below so as to help us make decisions for 2026.
- On Prayer Events, The Lord has helped us to establish a Non-Stop daily 1 hour Prayer from 11pm – 12am. This prayers started in December 1<sup>st</sup>, and has not missed a day of corporate Evangelistic Prayers.

It is obvious that without Money an organization cannot function. We have to be intentional when it comes to generating funds for our work. Especially since we are constantly on the field. Also considering the fact that we are not a denomination that mandates its members to give. We trust God that in 2026 our giving will be better and we will have many channels of supply.

## 2025 FINANCIAL REPORT

By the Special Grace of God, we are a Ministry that has seen God's help. Since our Global Launching out in August 4<sup>th</sup>, 2024 financial commitment has been encouraging. 2025 was better financially compared to 2024. We thank God for the improvement.

INCOME IN 2025	QUANTITY
Internal Contribution	N360,000
External Contribution	N270,000
Loan from O Pay	N140,000
Total	N770,000

### 2025 MAJOR EXPENSES:

Speaker Accessories & Repairs	N40,000
Tipper Garage Christmas Party	N70,000
Total	N770,000

### DEDICATED ACCOUNT FOR THE MISSION:

Since we are not yet registered with CAC, we cannot have a corporate account. Prior to when we will become incorporated, we have opened a Monie Point Account which will hold all income of the Mission. **8062785246(OKPOMU OYINPREYE)**. For transparency purpose, which is a key factor in an organization, we need a Financial Secretary to Manage this Account in terms of monitoring all that comes and goes into it.

## **MAJOR SETBACK IN FINANCIAL REPORTING:**

1. A Debt of 140,000 from O Pay
2. Missed some support due to lack Corporate Account Detail
3. Lack of Finance to run Evangelism Events
4. No Financial Secretary yet
5. Inability to Register the Ministry

## **Evangelistic Events We must improve on in 2026:**

1. One on one Evangelism.
2. Follow up
3. Children/Teens Evangelism
4. Village Crusades
5. Personal Evangelism

## **Registration of the Mission in 2026**

We must try and Register this Mission in 2026 so that we can get our Corporate account number. The Mission will be registered as a purely Evangelistic Organization and not a Denomination.

## **CONCLUSION**

I Pray that may the Lord give us Grace to attain Success this year. Lets not rely on any of our abilities. Lets trust Him More.

We must be more serious this year, knowing that we are not doing this for any man. Let us put in our best, and the Lord that sees us will reward us.

GOD BLESS US ALL
