See you at SWITCH 2025	28

The Singapore Week of Innovation and Technology (SWITCH) brings together innovation leaders, startups, corporates and investors from the Global-Asia innovation ecosystem.

Through the open exchange of new ideas, vibrant networking and a line-up of innovation-centric activities, SWITCH provides a global platform to catalyse meaningful collaborations.

The focus industries include healthcare & biomedical sciences, urban solutions, trade & connectivity, energy & green tech, quantum and space technologies.

The SWITCH Experience features two components: a **year-long programme** of innovation-centric community events, and our signature **flagship event** that will be taking place from 28 October – 30 October 2024 at Sands Expo & Convention Centre, Singapore.

FLAGSHIP

The programme features a flagship conference and exhibition that brings together Startups, SMEs, MNCs, investors, research institutes, multipliers and government organisations.

YEAR-LONG INNOVATION PROGRAMME

Year-long engagement through a series of webinars that share knowledge, corporate programmes as well as year-round networking opportunities for the global innovation system.

SWITCH 2024

Flagship Event

SWITCH MAIN STAGE

Deep Tech Conference and Startup Pitching Finals

Experience the SWITCH Main Stage: a global nexus of deep tech innovation where industry leaders converge and startups shine in the SLINGSHOT competition. Explore frontiers in robotics, AI, and quantum tech and witness promising global startups pitch groundbreaking ideas. This epicentre of cutting-edge insights offers a window to future technologies, from thought-provoking sessions to inspiring pitches. Join us at this gateway to global innovation and collaboration and be at the forefront of exciting new ideas!

SWITCH BEYOND

Sector-focused Deep Tech Conference and Masterclasses

Hear from global leaders and industry experts at our sectoral thought leadership stage which will feature sessions uncovering innovation opportunities in Asia and the role of AI and technology applications across industries.

The Beyond conference will focus on 5 industry themes:

- Health and Biomedical
- Trade and Connectivity
- Environment, Energy and Green Tech
- Space Tech
- Quantum Tech

SWITCH GLOBAL

Market Access Conference

Connect with business leaders from 17 markets to discuss latest tech trends and opportunities for global collaboration, including leveraging Singapore as the connecting node to expand into the region.

Interact with changemakers at our exhibition trade floor and glean insights from market leaders and local industry experts at our market access sessions and global pavilion

EVENT HIGHLIGHTS

EVENT HIGHLIGHTS

3 Conference Stages

Explore cutting-edge tech at our Main Stage, discover global opportunities at the Global Stage, and immerse yourself in deep tech at the Beyond Stage. From AI to quantum computing, startup pitches to market access, SWITCH connects you to a world of innovation.

SLINGSHOT Top 50

Meet and connect with the SLINGSHOT Top 50 finalists, selected from over 5,500 global applications. Witness their revolutionary ideas come to life at the Domain Finals and Grand Finals!

Over 300 Global Startups

SWITCH Global connects you with over 300 global startups and close to 30 global pavilions across deep tech sectors like health & biomedical, artificial intelligence, sustainability solutions and more.

Networking & Investor Lounges

Join our networking session hosts as they avail more connections to key partners and innovation intermediaries across different markets. Don't miss this chance to meet and connect with innovative startups at these sessions!

SG Innovation Booth

Visit the booth to learn about the innovation startup ecosystem and experience first-hand the product of innovation through our showcasing startup solutions!

SWITCH Play

Don't miss out on SWITCH Play – an interactive and experiential tech showcase zone focusing on AI, tourism, robotics and the metaverse.
