

**1. Why are glycans† important for skincare products?**

In skincare, similar to ingesting supplements, glycans help optimize the results of each product. They absorb down into the deepest layers of skin, providing hydration and nourishment your skin needs to reduce and reverse the signs of aging.

**2. Who are Uth BODY products ideal for?**

Uth products are designed for people who desire daily hydration to soothe and protect their skin.

**3. How often should I use Uth BODY products?**

For optimal results, use every morning and night.

**4. Can children use the Uth brand products?**

As with any product, Mannatech recommends that Uth products be used only as directed. Please speak with your healthcare provider prior to use on a child.

**5. Do Uth BODY products contain glycans?**

Yes. They all contain glycans to provide the best nourishment for your skin.

**6. Are Uth BODY products free of artificial colors and dyes?**

Yes. All Uth products are free of artificial colors and dyes.

**7. Are Uth BODY products free of synthetic fragrances?**

Yes. All Uth products are free of synthetic fragrances.

## Emprizone®

**8. What makes Emprizone unique?**

A water-based gel, enriched with aloe vera gel extract, vitamin E and A, hydrates and soothes skin while creating a protective barrier. This unique formula is ideal for after sun exposure, after waxing, sensitive skin and dry, irritated skin.

**9. Can I use Emprizone gel on my face and body?**

Emprizone can be used on any part of the skin that needs hydration or alleviation of roughness due to dry skin. For external use only. Do not put in eyes or on open wounds.

**10. Why was aloe barbadensis seed extract chosen for the Emprizone?**

Aloe vera gel has been used for centuries to condition, protect and promote moisturization of dry, irritated skin. It naturally provides a soothing, cool-like sensation as it's applied.

**11. Are there any scientific study results for Emprizone?**

Yes. Results show Emprizone soothes grazes/nicks and cuts after shaving, reduces shallow/coarse wrinkles, helps improve elasticity and firmness, reduces redness due to irritation and increases skin radiance.

## FIRM with Ambrotose®

**12. What makes FIRM with Ambrotose a special product?**

Infused with a proprietary blend of botanical and herbal ingredients, this thick, rich cream provides soothing, hydration suitable for all skin types.

**13. Where do I apply FIRM with Ambrotose?**

This is a body cream that you can use all over your body including hands and neck area. For external use only. Do not put in eyes or on open wounds.

**14. Is FIRM with Ambrotose body crème fragrance free?**

There is no fragrance added to this product. There is a mild scent that comes from the combined, natural ingredients in the product.

**15. Why was Camellia Oleifera seed extract (Tea-Oil Camellia) chosen for the FIRM with Ambrotose?**

This botanical, native to China, is used in skincare because of the smoothing, plumping and tightening effect.

†Glycans are beneficial saccharides found in nature.
