Dear Mr Broad

Whaika te Whakapono: *Seek for the Truth - Follow the Truth*

You advise the appointment of R.B. (Bruce) Squire QC as your “independent” investigator following my admission of perjury and evidence tampering to obtain convictions against my targets while working for your Criminal Intelligence Section as a sworn Police Constable

Kindly provide me the following:

- (1.) Your terms of reference for your “independent” inquiry
- (2.) The names of my targets . . . you have identified to date

Please note that without further notice to you I will write to both the Ombudsman and the Privacy Commissioner if this information has not reached my hand within 21 days

Thank you

Yours sincerely
