AUTOQUOTES CERTIFICATION PROGRAM

You'll need to show full command of the AutoQuotes application's tools and features to become certified. The AutoQuotes Certification Exam will confirm your understanding of the topics covered in AutoQuotes CPQ and SKU. Although it is highly recommended that users attend training, it is not a requirement for certification.

To receive certification, you must score an 80% or higher and have an active license at the time of completion. Take the test now by registering at [Revalize University](#).

If you are interested in a live instructor-led manufacturer training, please contact us on [our portal](#) for quotation and scheduling.

FOR MANUFACTURERS

Self-paced onboarding video available.
