# We Remember Them

Poem by  
Rabbi Sylvan Kamens and Rabbi Jack Riemer

In the rising of the sun and in its going down,  
**we remember them.**

In the blowing of the wind and in the chill of winter,  
**we remember them.**

In the opening of buds and in the rebirth of spring,  
**we remember them.**

In the blueness of the sky and in the warmth of summer,  
**we remember them.**

In the rustling of leaves and in the beauty of autumn,  
**we remember them.**

In the beginning of the year and when it ends,  
**we remember them.**

When we are weary and in need of strength,  
**we remember them.**

When we are lost and sick at heart,  
**we remember them.**

When we have joys we yearn to share,  
**we remember them.**

So long as we live, they too shall live, for they are now a part of us,  
**as we remember them.**

# Musical Performance

## Carlos Calvo

Carlos Calvo grew up surrounded by world-famous flamenco and classical guitarists. Before embarking on his solo career, Carlos fronted successful bands that toured with Bob Dylan, Paul Simon, and Willie Porter. As a solo artist, he has toured with The Bacon Brothers and Colin Hay, and he has performed numerous times in Europe as a headliner. Carlos has original songs in major

motion pictures (*She's All That* and *Finding Holden*). In addition, Carlos played guitar on the score of *King of the Hill* for three seasons and has recorded numerous tracks for commercials, up-and-coming bands, and as a session playing classical guitar with members of the L.A. Philharmonic.

Carlos founded the “*Carlos Calvo Acoustic Trio*,” the house band for Room 7, Jack Daniel’s private lounge in Los Angeles. He also co-founded Jack Daniel’s *Tasting Notes*, an interactive experience that blends whiskey tasting and Carlos’s original music. Since 2017, Carlos has been a great friend of the ALS Network having served as Musical Director and performer at several Champions for Cures and Care events along with numerous Ride and Walk programs. Carlos currently resides in Galicia, Spain with his family, but he is considered a global troubadour.
