

## SRIPATH TECHNOLOGIES®, LLC Health & Safety Policy Statement

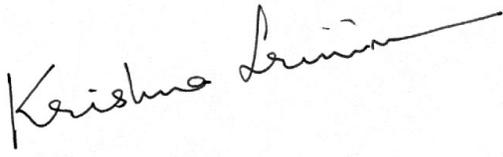

Sripath Technologies® is committed to meeting the bitumen additive needs of the paving and roofing industries, providing customers with sustainable, environmentally friendly, cost-effective, and durable solutions.

Sripath is deeply committed to maximizing safety in three key areas:

- 1) Engineering our products to be as safe as possible for our customers to use.
- 2) Safe for our production plants to manufacture and transport.
- 3) Engineering products that are sustainable and safe for the environment.

All Sripath products are designed with the above three safety aspects in mind.

Sripath's Leadership Team is committed to an effective health and safety program. Management regularly reviews feedback and data to monitor the effectiveness of Sripath's safety program. Continuous improvement in all aspects of safety is pursued.
